Dear Leslie,

I want to thank you so much for acting as my agent!

I found you to be extremely focused, dedicated and thorough in all the fine details involved in my house purchase.

You went above and beyond to help me acquire the right house, at the right price, and for the right financing.

The property I have been so fortunate to have purchased was a complicated, unique opportunity which proved to be fruitful in the end. You were instrumental in coordinating the complex financing behind this country property. You ensured that all key administrative tasks were handled and I had nothing to worry about. You negotiated reasonable terms and price point for me. I feel that this deal is a win-win for both me and the seller.

The peace of mind I had while working with you on this deal ensures that I will procure your services again for the next house purchase.

Your ability to finesse a complex deal gives me further confidence that our next deal together will be soon!

Thank you so much!
