

Leslie Wheaton was a pleasure to work with. Our condo sold in just 3 days, for nearly 98% of asking, thanks in part to the hard work and advise from Leslie.

Her genuine and honest personality made it easy to get along with her. She not only offered sound advice and expertise, but also listened to our wants and needs.

We were impressed with the amount of effort she was willing to put into the sale of our home, as well as her all round professionalism. She was always readily accessible and willing to help.

Leslie assisted us through the entire process, and was able to address all of our questions and concerns.

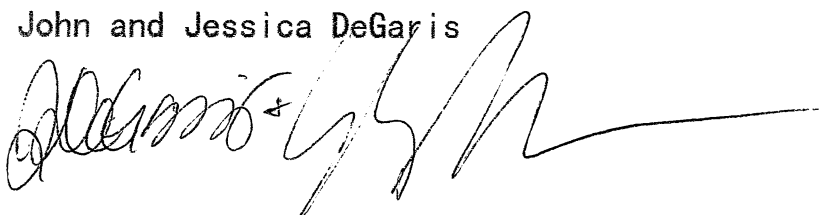

She provided us with excellent exposure through her contacts and the personalized website she created. The virtual tour of our condo was above and beyond our expectations- it was among the nicest we' d seen and undoubtedly contributed to the quick sale of our home.

Her advice in staging, and her extra touches during showings really paid off.

We would not hesitate to recommend her services to anyone looking for a hard working, friendly partner in their real estate endeavours.

Regards,

John and Jessica DeGaris
