Dear Leslie,

Thank you so much for helping Tvrtko and I find our first home. It's everything that we hoped it would be. After just a brief discussion, you knew what we wanted and that's exactly what you gave us! It's crazy how you did that! We saw only one house and it was THE ONE!

With a baby on the way, our apartment was going to be a tight fit and we didn't know if we could make the leap into a house. We are truly grateful for how easy you made it for us. We didn't know anything about buying a house and your suggestions and advice were so supportive.

You made our dream come true and we plan on creating many memories for our family here. I will definitely recommend you to anyone looking for a realtor. We wish you all the best.

Best Regards,
