Subject: A Huge Thank You!

Dear Leslie,

I cannot express how grateful I am to you for all your help getting me through an unusually difficult process in purchasing my first home. There were extreme obstacles that I had to overcome but your professional expertise and support got me through it all. I found my dream house and made a good friend in the process.

I could not imagine going through this purchase process with any other agent.

All the best to you to the future and get ready for referrals to come your way!
