Dear Leslie,

Andrew and I just wanted to say **"Thank you"** for the tremendous effort you gave in finding us the house we wanted! It has been a couple of months since we took possession and every day we are more convinced that we found the perfect place for our first home!

We sincerely appreciate the dedication, time and patience that you invested in us. We love your professionalism and friendliness and value the fact that you negotiated a great deal for us! We also thank you for referring us to other professionals that assisted us during the closing process. We will certainly recommend you to our friends or anyone looking for a dedicated and honest Real Estate Agent!

Leslie, we wish you much success in your career and may the Holiday Season be a joyful time for your and your family.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Hill". The signature is written in a cursive style with a large, stylized initial "A".
